REPORT OF FULLER PUBLIC LIBRARY

We submit herewith report of Fuller Public Library for the fiscal year ending Jan. 31, 1935. We gratefully acknowledge the many gifts of books and magazines.

In May the trustees voted to add Wednesday afternoons to the regular library hours, and to increase the librarian's salary \$1.25 each week.

On May 22nd the Sarah White Trust Fund of \$12,000 was legally transferred by the board of trustees of Fuller Public Library to the trustees of trust funds of the town of Hillsboro. The amount deposited in the Amoskeag Savings Bank, now amounting to \$726.47, being accumulated interest, remains in the hands of the library trustees.

In October Mrs. Lulu B. Gaddas, librarian, requested, because of ill health, and was granted a six months' leave of absence to take effect Nov. 1st. Mrs. Eva W. Rickard was appointed acting librarian during Mrs. Gaddas' absence.

Miss Oris Barden, a graduate of the School of Library Science at Simmon's College, was sent here in November by the State Library Commission to assist in discarding books and modernizing the charging system. She remained ten days during which time much was accomplished, which the acting librarian, with the assistance of Mrs. Carrie Kelso two afternoons each week, is working to complete.

During the year 1934 the following improvements were made to the water system: On Bridge Street 1,075 feet of 6 inch cast iron pipe was laid, replacing 6 inch cement and 2 inch iron. The cost of this line, to the Precinct, being \$1,256.25 charged as follows: renewal \$571.35, excess renewal \$684.90. The old 4 inch line on Pleasant Street, consisting of 745 feet of cement pipe, was renewed with 6 inch cast iron, charged as follows: renewals \$424.65, excess renewal \$443.62. Total cost to the Precinct, \$868.27. On Newman Street 520 feet of 6 inch cast iron was laid, replacing 435 feet of 4 inch cement, the remaining 85 feet being an extension as this line was not originally connected through on the Pleasant Street end. This line cost the Precinct \$624.10 charged as follows: renewal \$247.95, excess renewal \$274.05, extension \$102.10.

The labor on all of the above projects was paid for with cash grants furnished by the State of New Hampshire and the Federal Government. The amount of these grants in full, including those of the year 1933, amounted to \$4,134.60. The total of these grants will, in the future, be carried in the "Cost of Water Works" account to show the true cost of the water system.

SUPERINTENDENT'S REPORT

Town District

To the School Board of the Hillsboro Town School District this fifteen annual report of the Superintendent of Schools, for the school year 1933-1934 is respectfully submitted:

We engaged the same teachers that were with us last year, although they did not all return to the same schools.

The following table is part of a report which is annually sent to the State Department of Education.

School	Teacher	Salary	Yrs. Ex.	State Ap.
Upper Village	Mrs. Grace Crane	\$900	16	Certificate
Lower Village	Mrs. Fred Gile	\$900	13	Certificate
Goodell	Thaida Gruenler	\$810	3	Certificate
Flat	Gladys Murdo	\$900	20	Certificate
Merrill	Susan Pierce	\$810	15	License
Center	Catherine Tasker	\$810	5	Certificate

In addition to this Miss Cecilia Proulx, and, later on, Miss Frances Shaughnessy were our Music Supervisors. Miss Gile and Dr. Bailey carefully looked after our children's health, and we had the use of the Audiometer owned by the State Department of Education. Mrs. Marshal Gilchrist substituted for Mrs. Tasker during September.

You will note that we have no inexperienced teacher, nor any who have taught what might be termed "too long." The average length of experience is twelve years.

School	Days	Ave. Att.	Ave. Abs.	Ave. Memb.	% Att.	Tardiness	Tard. per pupil	P. Visits	S. B. Visits	S. Visits	Honor Pupils
Upper Village	173	15.6	0.4	16.0	97	25	1.6	73	4	29	3
Lower Village	173	28.8	1.3	30.1	96	6	0.2	105	7	41	5
Goodell	172	9.4	0.7	10.1	93	49	4.9	27	7	25	0
Flat	174	17.0	0.7	17.7	96	13	0.7	34	2	28	3
Merrill	174	9.8	0.2	10.0	98	23	2.3	49	4	23	0
Center	170	7.0	0.8	7.8	89	18	2.3	53	3	25	0

The short year at the Center School was due to illness. The Lower Village had the largest enrollment; the Merrill School had the best attendance. The Goodell School had the poorest record of tardiness, every pupil being tardy two times or more. We expect a better record in this respect next year. This record was not due to the severity of the winter because only 19 of the 49 tardy marks were made from December to April. The large number of Superintendent's visits to the Lower Village School was because the supply room is there and it was necessary for him to go there often for supplies.

The eleven names on the Honor Roll follow:

Lower Village—Edmund D. Murphy, Adella T. Murphy, Geraldine B. Powers, Donald Seaver, Joyce R. Seaver.

Flat—Florence E. Fisher, Edward F. Holden, Richard N. Holden.

Upper Village—Raymond W. Lyman, Richard E. Senecal, Leigh Strickland.

The grade distribution is shown in the following table:

Grades	Boys	Girls	Total	Ave. Yrs.	Age Mos.
1	5	7	12	6	3
2	9	5	14	7	9
3	7	2	9	9	2
4	6	9	15	9	9
5	5	8	13	10	5
6	5	8	13	11	5
7	9	6	15	12	9
8	7	2	9	13	5
Totals	53	47	100		

The regular work of the schools progressed in accordance with the program of studies suggested by the State Board. There were but few failures, and much very good work done. The school buildings were kept in repair and improved where it seemed important to do so. Several new single desks and seats were added to the furnishings. Emphasis has been placed on the old standbys: Reading, Grammar and Arithmetic. Very good work was done in the Music Department and rhythm bands were used in the schools with good effect.

Teeth defects were numerous, but the numbers are

being reduced because of the work of our school nurse and school physician and several dental clinics.

In the annual seventh grade public speaking contest held on May 4, Beatrice Powers received first prize; Ethel Pope, the second prize; and Clifford Murdough, Jr., the third prize.

The Graduation Exercises were held in the Lower Village Chapel on Tuesday evening, June 12, with the following program:

Processional—On Parade	Rhythm Orchestra
Invocation	Rev. F. A. M. Coad
Address of Welcome	John Moulton*
What the Constitution Means to Me	David Cushing*
Class History	Elizabeth Hoyt*
Song—Duty's Call	All Schools
Flag Day	Richard Howard*
Class Gift	Leigh Strickland*
Travel in Different Lands	Francis Bennett*
Dixie—Accompanied by Lillian Franz—Directed by Marilyn Werden	Rhythm Orchestra
New Hampshire	Winfred Davis*
Class Prophecy	Norman Bumford*
Farewell Address	Raymond Peasley*
Class Song—Farewell	
Presentation of Diplomas	Supt. A. A. Holden

The Class Marshals were Polly Sargent and Julius Gagnon. The names of the class members are followed by a *.

These exercises closed a successful year, and we are sure that the hearty cooperation and interest of all concerned had much to do with the success.

Respectfully submitted,

A. A. HOLDEN,
Superintendent of Schools.

REPORT OF BOARD OF EDUCATION

We present separately herewith the financial report of the Board of Education for the year ending June 30, 1934. In our general report last year we estimated a deficit of \$1,410 for 1933—1934, and the district appropriated that sum at the last annual meeting. After adjusting for the fact that most of the payments for the C.W.A. projects were anticipated in the year ending June 30, 1934, from the next year's appropriation, the net deficit was \$1,234.38, or a saving of \$175.62.

Confusion sometimes arises because of the fact that our school year ends on June 30 and, in consequence, the Board cannot present a final financial report for the current year for which the last appropriation was made. The Board feels, however, that an estimate of the results for the current year will be helpful, based upon expenses to date plus estimates for the remaining months. These figures follow.

Estimated Expenses for the Year Ending June 30, 1935

	As presented in March, 1934	Revised Estimate of March, 1935
High School	\$11,889 44	\$11,705 26
Elementary School	11,738 20	11,070 55
District officers	219 00	219 00
Expenses of Administration		100 00
School Census	20 00	20 00
Supt's Salary	529 74	490 00
Per Capita Tax	646 00	646 00
Payment on Debt	4,000 00	4,000 00
Interest on Debt	2,025 00	2,025 00
Painting Bldgs.	600 00	494 00
C. W. A. Projects		35 77
New Equipment		317 27
	31,667 38*	\$31,122 85

* Does not include appropriation of \$1,410 for 1933-1934 deficit, \$1,600 for C.W.A. gym floor or \$60 for C.W. A. trucking.

The utmost economy has been exercised throughout the year. As shown above, we expect this year's expenses to be about \$31,122.85 compared with our estimate last year of \$31,667.38, or a saving of about \$544.53. Many needs of the schools have had to go unsatisfied.

In considering plans for next year the Board considers that general business conditions do not warrant recommending expenditures at this time for certain basic improvements, which we should undertake as soon as conditions permit. Needs of this character are heating equipment, showers and lockers for the high school gymnasium, gym apparatus for physical training periods, manual training equipment, Victrola or combined Victrola and radio for music instruction, moving picture projector for use of educational films, and many other things. When conditions improve, we will make recommendations accordingly. In the meantime, our only hope to satisfy these requirements, is that perhaps some individuals or organizations in the community may become interested in raising money for one or more of these needs. In this connection we acknowledge our appreciation and thanks to Mrs. George W. Haslet for her recent gifts of furniture to the grammar school.

There are certain needs, however, where too much economy is false economy. The grammar school seriously needs many new and more modern text books. It is a waste of money to keep replacing worn out copies of old editions. A new set of books often costs from \$40 to \$60 where an old set can be pieced out for \$8 or \$10. We do not recommend trying to correct this situation in one year. It should be done over a series of years. We do recommend starting now. Our last budget only allotted \$200 for this need and we estimate we will have spent \$238 this year. Our budget for 1936 increases this to \$800.

We should provide annually for more repair and upkeep to our buildings and equipment. It is false economy to slight this need and incur large expenses in later years. Desks in certain classrooms need refinishing and interior painting and ceiling repairs are needed. Poor lighting in the grammar school is a severe strain on our children's eyes. This should be corrected. Our last budget for repairs was \$215 excluding the special appropriation of \$600 for exterior painting, or a total of \$815.

In our budget for 1936 we have provided \$600 for routine repairs and renovations.

There are several small items of new equipment that are necessary, a new cook stove, canner, and ice chest for the high school home economics department and additional settees for the high school gymnasium.

The Board feels that the school buildings are not sufficiently insured against fire. At the present time, the high school is insured for not over half the probable cost of replacement and the grammar school not over 40 percent of probable replacement cost. The additional insurance recommended by the Board under a separate article in the warrant will cost about \$423, and add an average of \$141 annually to the cost of schools. This will bring insured value up to about two-thirds of replacement value.

The following amounts for the school year, July 1, 1935—June 30, 1936, are our estimates of the required expenses:

High School	\$11,967 02
Elementary School	12,058 95
District Officers	219 00
School Census	20 00
Expenses of Administration	100 00
Superintendent's Salary	490 00
Per Capita Tax	688 00
Payment of Debt	4,000 00
Interest on Debt	1,845 00
New Equipment	150 00
Insurance Renewals	406 25
	<hr/>
	\$31,944 22

We expect receipts of about \$4,100 in addition to the amounts raised by taxation and for that reason recommend that the sum of \$27,844.22 be appropriated for the school year July 1, 1935—June 30, 1936. This appropriation and the special appropriation for additional fire insurance of \$423 recommended, make a total of \$28,267.22. Total appropriations for schools a year ago

were \$31,037.38. There should be a reduction, therefore, of \$2,770.16, or about 9 percent in the amount to be raised by taxation.

Respectfully submitted,

SUPERINTENDENT'S REPORT

Herewith is respectfully submitted to the School Board and citizens of the Hillsboro Special School District the report of the Superintendent of Schools for the year 1933-1934.

We had no teacher new to the district, nor any inexperienced teachers. Miss Gendron and Mr. Quimby, with two years' experience, had the shortest teaching experience, and the amount of experience varied from 2 years up to 36 and 40 years; the average amount of experience was 15 years with 8 years in this district.

The following table is part of one which is furnished to the State Department of Education.

It is confusing that a report read in March of one year closes with June of the previous year, but such is the way in which it has been done. It should be remembered that this report concerns matter which transpired before July 1, 1934, and that the report in last year's town report concerned only such matters as happened before July 1, 1933. Although it would mean extra work at a very busy time for your Superintendent and a slight-

ly extra expense to the town I recommend that the School Report be bound as a pamphlet separate from the Town Report and presented as soon as possible after June 30 of each year. The School Report was formerly presented as a separate pamphlet in this district, so it is no new idea, and if presented soon after the close of the school year, the readers would not be in doubt as to the time covered by the report.

The approved number of days for New Hampshire schools to be in session is 180. The first column in the above table shows that we fell short of that by one week. 421 different pupils registered in our schools last year, but some of them left during the year so that our average membership was only 386.21, with an average daily attendance of 370.50 and an average daily absence of 15.71. The per cent of attendance was poor, being highest in the seventh grade. Notice that while there were 108 visitors to the first grade there were only 10 at the High School.

The Honor Roll of Perfect Attendance is large and contains 63 names; 29 among the 251 grade pupils, and 34 among the 134 in the High School. In the High School one out of every four pupils was present every day, a remarkable record.

HONOR ROLL

Grade XII—Ruth Gross, Frances Holley, June Lacey, Bertha Nichols, Anna Willgeroth, Robert Wood.

Grade XI—Victor Bonder, John Cregan, Kerwin Ellsworth, Violet Nichols, James Schmidt, Ruth Wood

Grade X—Janet Barnes, Waldo Beard, Joseph Brzozowski, Mary Camara, Dorothy Kern, Ethel Kimball, Frances Murdough, Frank Sanduski, Ernest Swett.

Grade IX—Raymond Bennett, Helen Bruso, Nellie Brzozowski, Herman Donegan, Cecil Elgar, Josephine Gardner, Luke Harvey, Thalia Ryder, John Rysnik, Harry Schmidt, Harry Whitney, Julia Zeludancz.

Grade VIII—Ella Brush, Nellie Camara, Phyllis Gove, Emma Lambert, Lester Rysnik.

Grade VII—Frank Camara, Raymond Connor, Helen Ellsworth, Elton Matthews.

Grade VI—Alice Chadwick, John Coxon, Bernice Derby, Ulla Ellsworth, George Falardeau, John Lambert.

Grade V—Robert Whitney, Cecile Gilbert, Beatrice Johnson.

Grade IV—Charles Boutelle, William Barrett, Lida Alves, Clare Abbott, Jacqueline Halladay.

Grade III—Herman Barrett, Richard Colby, Robert Flint, George Lambert.

Grade II—None.

Grade I—Valerie Fisher, Leroy Gilbert.

From statistics compiled by the State Department we find that 8% of our high school pupils left school during the year compared with 11% for the entire state. Our high school percentage of attendance was 96.4, the state's was 96. We had 3 cases of tardiness for every 10 pupils while the state average was 9.

The State Department gave standard tests in Silent Reading and English Forms to seniors in all high schools, and our seniors placed above the standard in both, and its I. Q. was above the state median.

At the "Battle of Brains" held at the Normal Schools in May: our Arithmetic team consisting of Catherine Stafford, Alice Craton, and Bertha Nichols took first place; our Geography team consisting of Warren Richardson, Mabel Swett, and Robert Wood took first place; and our Domestic Arts team consisting of Catherine Sargent, Helen Peasley and June Lacey took third place.

In the Chadwick Essay Contest Alice Craton received first prize; Bertha Lyman, second prize; and Violet Nichols, third prize.

Helen Peasley received the Butler Scholarship, and Alice Craton and Catherine Stafford received the Haslet Scholarships.

Your Superintendent has spoken often about the need of a clerk. 30 of our Superintendents have the service of clerks thereby liberating some of the Superintendent's time for much of the most productive work that he has no time for when occupied with clerical work.

Oversight of our Pupil's health was in the able hands of Miss Gile who visited both homes and schools. Medical examination by physicians was omitted this school year in order that we might have next year's examination in the Fall instead of in the Spring as has been the custom. It is thought that by having the examination in the Fall the follow-up work can be done more easily.

By all accepted standards of measurement by the Superintendent, teachers, State Department, and colleges, our pupils are doing excellent work.

In addition to the usual repairs made each year on our buildings, this year with some Federal Aid the Grammar School yards were given a top covering of gravel, and the gymnasium floor was torn up, the ground below the floor drained, and a new floor laid.

We wish to thank the President of the P. T. A. and her associates for the great amount of assistance given us in the attempt to establish an evening school with final assistance through Federal Aid. We had started off enthusiastically when shortly there was no Federal money available, and only such classes continued in which the members themselves paid the expenses. However, for some, it was felt to be a worthwhile experience.

Milk was paid for by Federal funds for part of the year and everyone conversant with the matter felt that the health of the children was improved thereby.

The school year closed with the graduation exercises of Grade VIII and Grade XII.

The Grammar School Graduation Exercises were held in the High School Auditorium on Friday afternoon at 3.15, June 15. The theme of the program was "A Trip to the Most Noted of our New Hampshire Summer Resorts." This was divided into 19 chapters, one chapter taken by each of the 19 graduates; in addition to this there were: salutatory by Robert Harrington; violin solo by Paul Scruton; piano solo by Marion Lundberg; a poem, "The Spirit of Mt. Washington," recited by

Charles Taylor; a trio by Doris Stacy, Ruth Smith and Marian Buswell; clarinet solo by Raymond Mann; and valedictory by Audrey Mellen.
